## **DETAILED ACTION**

### ***Response to Amendment***

1. Applicant's After Final amendment and accompanying remarks filed 9/14/06 have been fully considered and entered. Claims 4-7,10-12,14-19,36, 40, 69 and 70 have been amended and claims 1-3,8-9,13,20-35,37,39 and 43 are canceled as requested. Applicant's amendment to claim 69 is found sufficient to overcome the lack of antecedent basis rejection set forth in section 3 of the Final Office Action. As such, this rejection is hereby withdrawn. Applicant's cancellation and/or amendments are found sufficient to either render the obviousness rejections of claims 1-42 and 44-65 set forth in section 5 of the last Office Action moot or non-obvious. As such, claims 4-7,10-12,14-19,36,38,40-42 and 44-70 are found allowable for reasons set forth herein below.

### ***Allowable Subject Matter***

2. The following is an examiner's statement of reasons for allowance: -7,10-12,14-19,36,38,40-42 and 44-70.

The prior art of record does not teach a non-woven water soluble adhesive material. An art search did not produce any substantial art for which to base a rejection and presently there is no motivation to combine references to form an obviousness type rejection

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
